STITTSVILLE VILLAGE ASSOCIATION INVITATION TO JOIN THE EXECUTIVE

The Stittsville Village Association, which has been in operation since 2001, will hold its Annual General Meeting on Monday, November 18, 2010 at 7:00 PM at the former Goulbourn Township Municipal Building on Huntley Road in Stanleys Corner. I am writing to all residents to invite you to attend this meeting and consider joining our Association as an Executive member. We would be honoured if you would decide to join us. Knowing your various involvements in our community, I am sure that it would strengthen our Association and provide fresh ideas and directions for our activities.

The Annual General Meeting is the time when half of our Executive positions will be up for election for a two year term. The Association is always looking for new members that can bring new ideas and initiatives to our activities, which range from annual events, such as Canada Day celebrations, the annual Village Fest, the Parade of Lights, to mark the beginning of the festive season, and the rather unique cultural event Artists and Authors in the Park. These events bring together many residents, in particular also new-comers in our rapidly growing community and help to foster and maintain a community spirit which also reminds attendees of the rural roots of Stittsville. There is clearly room for additional activities with the help of volunteers and the support of the individual residents and our growing business community with their financial support.

In addition to such more visible activities, the Association also acts as a spokesperson on behalf of the community towards various government organizations and agencies on matters concerning Stittsville, in particular regarding the suitability of proposed new developments. It is also an important task to maintain and regularly update our Association's web site to provide timely and relevant information to our residents.

As is obvious there is significant scope to our activities that could meet your interests and thereby give us also the highly desirable boost to meet the challenges of our rapidly growing community.

I hope that you will be able to join us. I am looking forward to your replies. Please do not hesitate to call me if you would like to discuss any further details regarding

the Associations work and activities. You also will find additional information on the Association's web site www.stittsvilleva.com; in particular the associations constitution (on the Welcome page) and the documents presented to the Annual General Meetings of 2008 and 2009 may be helpful.

With my best regards.

Metin Akgun
President
